

Sporting Rifle

Program Contact - Paul Fairclough

Eligibility

All individual shooters or teams must belong to a club that is affiliated with the Shooting Federation of Nova Scotia to be eligible to compete in this postal match.

Rules

All matches in this competition will be carried out in accordance with the SFC Sporting Rifle rules. Sporting Rifle rule books and ISSF General and Technical rule books are available from the Shooting Federation of Canada.

Length of Range

Matches must be fired on 20 yard ranges, using only the 12 bull target #135. Targets will **not** be supplied, but are available from the Shooting Federation of Canada. Photocopies are not permitted.

Classification

There are four (4) classes: Master, Expert, Sharpshooter and Marksman in all Sporting Rifle events. Any shooter holding a current SFC classification will be placed in their class. Any shooter **not** having a valid classification will be placed in the Temporary Expert class. These classifications will not be official recognized classifications

Class Awards

Will be based on the number of entries in each event.
This applies to all Classes, and in all events.

Two or three entries: first place only
Four entries: first and second places
More than four entries: first, second and third

Junior Shooters

There will not be a separate class for junior shooters this year. All shooters will shoot in their appropriate class based on score

Matches for Club Teams

1. There is no restriction on classification.
2. There will be separate matches for prone and 3-position teams.
3. A club may enter any number of teams in each category without having to pay the administration fee. Individuals may shoot on only one prone team and/or one 3-position team.
4. A team will consist of four (4) shooters. It is not necessary to identify team members when making the initial entry, but once a shooter has begun a set of targets, no substitutes will be allowed
5. Courses of fire:

Prone...	60 shots (6 targets) per team member	
3-Position...	20 shots (2 targets) per team member	- Prone
	20 shots (2 targets) per team member	- Kneeling
