

Archery Section Request For Assistance

Members,

In an effort to get the Archery section off the ground assistance is required in moving targets and organizing equipment sheds.

- Sat 29 Oct 10 am to 12 noon.
- Moving targets from the generator shed to the two out buildings
- Reorganizing the two out buildings

Please bring gloves, appropriate footwear, and masks, (due to the rodent activity).

Lifting will be minimal and we will have access to club equipment to move the targets.

Questions to archery@rodandgunclub.ca

Thank you in advance for the assistance.
